

BRYANT PTSA

Board Meeting: Dec 10, 2024

Land Acknowledgement

We acknowledge that we are on the traditional land of the first people of Seattle, the Coast Salish People, past and present, and honor with gratitude the land itself and the Coast Salish Peoples.

Why do we make these acknowledgments today?

We acknowledge the longstanding history of oppression and systemic racism and how these inequities result in disproportionately poor quality of life and access to opportunity for native people;

We seek to understand our place within this history and on this land;

We celebrate the contributions of native people in our communities today; and

We seek to inspire our members to take action to support native organizations in our community.

What can you do?
